CLUB Life

Dec 2019

So we are coming to the end of yet another year, a year that has been another tough one for pubs and clubs. However we have done our best to provide entertainment and good facilities for our members and supporters. Generally we have seen good support for events and I am pleased to report that our Diamond Jubilee Dinner Dance was a great success. We now look forward to another 60 years.

Our theme nights have been suspended over the run up to the festive season as our Chef is so busy with Christmas Lunches and parties. The Theme nights will recommence in the new year and/or if you have ideas for a theme let us know and we will pass them onto the Chef to consider. The restaurant attracts good numbers of diners and Darren, our Chef is currently providing Christmas Lunches throughout December. You will have to book these to be sure of a table.

Our regular monthly live entertainment in the Games Room continues and we have already filled the 2020 diary with some great bands. We do need your support for this entertainment. As the music usually starts around 9pm perhaps I can suggest to members that they come down for a tasty meal an hour or so before and really make an evening of it.

Members' children enjoyed two fun events recently - the first was our annual Hallowe'en Party and I would like to thank Paul Edwards and Ray Boyd for assisting me in making this a successful event. The children seemed to really enjoy themselves and you can see some of the photos in this magazine. More are on display in the Club. Our second event was also enjoyed - our traditional Hotdogs and

Sparklers evening following the town's firework show. Mona acted as Chef for the evening and not only the kids but parents too tuckled into the seemingly unlimited supply of grub.

The "Members Hour" period which has been planned for members only will begin in the new year. We are currently reprogramming the tills to make the discounts automatic. The actual timing of this is still to be decided.

For those who enjoy quizzes we have our regular fortnightly sessions with music on Sundays and our Friday night Quiz evenings run by members once a month are great fun. Come along and check them out.

Membership continues to grow and we now have almost 1,100 members with more on the waiting list. Glen Rodden, our Membership Secretary is currently working on the details of membership renewal so please watch out for his letter which should arrive shortly after the general election on 12th December.

Our regular members' free draw continues each Sunday but the Committee feels that it could do with refreshing a bit. We are looking for ideas for a new draw and if any members can come up with something and/or perhaps volunteer to run it I would be most grateful.

Something members may not be aware of: we have quite a lot of functions in the Hall and it is usually our committee volunteers who come along and assist Mona in setting everything up. Our team also get involved in helping staff get the Club rooms decorated ready for Christmas. Without their help we would struggle to cope and I would like to thank everyone who helps in any way.

As usual, can I please ask you to keep an eye on our Facebook page and our new website for the latest Club news. Watch out also for our regular Mailchimp emails which also give updates of what is on at the Club. And if you receive this why not have a go at the Free Christmas Draw which supplies a ticket each time it goes out. We are grateful to the Club's Wine Society for providing the prize for this draw.

I would like to wish everyone a very merry Christmas and a happy healthy and safe New Year for 2020. I hope to see you over the holidays at any of our great events we have planned for December and New year. Have fun.

Sincerely

Sandra Farr Club Chairman

THE CHARITY POT SANTA WALK 2019

Member Grant Cassidy will be delivering gifts/presents to 'The Skylark Children's Ward' at Kettering General Hospital on behalf of the Charity Pot on Christmas Eve (24th Dec 2019).

Leaving at mid-day from the Viking Club, 4 Danesholme Square, Corby and walking via Gret Oakley and Geddington to Kettering General Hospital.

Hopefully the gifts will cheer up the children who are unfortunate enough to be in hospital over the Christmas period.

Grant has a sponsorship form available in the Club and he (and the children) would very much appreciate your financial support for this walk.

MEMBERS' and GUESTS' WEEKLY SUNDAY DRAW

The full rules are on display in the Club but basically all members receive a free raffle ticket (on request) and they, and guests, can purchase more tickets at £1 each from around 2pm. A draw is held at 3.30pm and the lucky winner selects one envelope from five. They can then gamble their prize by choosing one of ten Golden Envelopes, only one of which will contain a cash prize which grows each week. (See Chairman's report for update).

Art Classes - mainly Water Colour

We have been running Art Classes at the Club for several years. The group meet in the Committee Room every Wednesday at 1pm for about 3 hours.

The group has no formal teaching but members rely on each other for help and constructive criticism. We have a couple of vacancies at the moment and the group would welcome anyone who would like to try this interesting hobby. All materials can be supplied.

The cost, including tea and biscuits, is just £2 a session. No need to book—just turn up on the day. The first session is free.
