FULL RESULT FOR THE NORTH NORTHAMPTONSHIRE UNITARY COUNCIL

Party name	Seats	%
Conservative	60	53%
Labour	14	30%
Green	3	7%
Independent	1	4%
Liberal Democrat	0	7%
Reform UK	0	< 1%
Alliance	0	< 1%

The results were broadly in line with our planning expectations and we now control the new council.

The Oakley Ward in Corby was always going to be a hard fight but the LibDem vote collapsed and these votes probably went to Labour.

So unfortunately, in spite of a tremendous effort by our knocking-up team, just half of our supporters actually voted on the day and this gave Labour the extra 160 votes lead they needed to win.

The three inner Corby wards continued, as always, to solidly back Labour and we knew we had an uphill struggle in those areas.

Our grateful thanks go to those members who put their names forward for these seats.
